- **EDUCATION**

Drexel University

Class of 2019

Bachelor of Science in Graphic Design
Minors in Fine Arts and Africana Studies

- **EXPERIENCE**

Graphic Designer

The Lindy Institute for Urban Innovation

April 2018 — Present

Designed materials such as books, templates, and graphic charts to help further the innovative urban initiatives of the institute by taking complex ideas of urban finance and urban strategy and generating fitting designs.

Graphic Designer

A.J. Drexel Autism Institute

July 2018 — December 2018

Created conference materials for Autism Convention and collaborated with multiple Pennsylvania Autism Awareness groups.

Intern Graphic Designer

Exit Design

September 2017 — March 2018

Collaborated with design team to create effective and carefully designed wayfinding systems in hospitals, universities, and other environments. Also examined and practiced key wayfinding principles based on the psychology of how one finds their way around an environment.

Graphic Designer

Drexel Graduate School

September 2016 — September 2017

Established a strong graphic design structure including promotional components for events, social media campaigns, and print materials. Collaborated with different groups that required interdisciplinary conversation.
